Docket No. 98N-1265

Food and Drug Administration

5600 Fishers Lane

Rockville, MD. 20857

MAY -7 P1:36

I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular, I OBJECT to the definition of "inordinate amount" which restricts the availability and the right to obtain medically necessary compounded medications by limiting the number of prescriptions that can be shipped across state lines from specialized compounding pharmacies.

COMMENTS: Please do not limit the ability of compounding pharmacies from shipping across state lines. I live in a rural area & rely on a pharmacy specializing in compounding natural hormones for women at an affordable price. I feel that their expertise in this field for 20 years is an extreme benefit to me.
